### WHY WILL WRITING

Having an appointed Executor (Administrator) in the early stages will ensure good execution of inheritance administration.

The testator can express their wish to give part of their properties to the parties or individuals who does not consist of their *faraid* heir.

*Wasi* will ensure the rights of underaged or disabled heirs are taken care of.

Wealth will be protected under *Wasi* administration (not being sold/pawned).

The appointed executor will be responsible in expediting the legislative process to obtain the Grant of Probate and the *Faraid* Certificate.
